STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

MARK A. HUFFMAN

Respondent

ORDER GRANTING EXTENSION

On September 23, 1993, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. The board's Order required in part that within six months of the date of the Order, Dr. Huffman take and successfully complete 30 credit hours of Category I continuing medical education credits in the area of doctor/patient relationships and dual relationship issues, which course or courses were to be first approved by the board or its designee.

At its meeting of June 22, 1994, the board was made aware that Dr. Huffman has been thus far unable with due diligence to locate coursework meeting the requirements of the board's order. Accordingly, the board amends paragraph 6 of the board's September 23, 1994, Order to read as follows:

6. That, by September 30, 1994, Respondent take and successfully complete 30 credit hours of Category I continuing medical education credits in the area of doctor/patient relationships and dual relationship issues, which course or courses shall first be approved by the board or its designee.

Dated this 4 day of July, 1994.
